

Hands-On Cooking Classes For Kids

iCOOK AFTER SCHOOL

Hands-on and Fun

iCook is a really fun, hands-on after-school cooking program for children. Our mission is simple: to help teach children to love everything about food - cooking, eating delicious and healthful dishes, learning about different cultures and stories behind the food.

OUR FALL MENU

Healthy and Delicious

Our chefs-in-training will learn how to make delicious and nutritious recipes using fresh and colorful ingredients. We will travel across the globe to learn about the cuisine and traditions of Europe, Asia, Central America, and more! We will learn about fresh herbs and spices and how they enhance the aroma and flavors of our dishes. We will master cooking safety, slicing, dicing, chopping, folding, baking, zesting, mixing, and more!
